WORK EXPERIENCE

» **February 2017 – onwards**
Working on a wide array of projects that mostly include branding &
creating a new visual identity for self employed individuals, smaller
companies or private event organisers. As well as branding and
promotional materials for big events organised by the EU.
Visual identities, posters, roll-ups, LED banners, invitations,
illustrations, short promotional clips, web & social media contents.
I invite you to have a look at my portfolio at www.nazosislian.com

» **Dec 2007 – January 2017**
Senior graphic/ motion designer at **AG Insurance** (Brussels HQ)
As a highly active member of the in-house **"Visual Identity"** unit,
I was in charge of applying the brand identity through every project.
As well as the creation of countless print/web/video based projects
that propelled the brand identity on all platforms, including social media.

» **March 2007 – Dec 2007**
Freelancing in Belgium both print & web based projects

» **Jan 2004 – March 2007**
Senior graphic & web designer at **Imaging Concept**
Mainly worked on everything from static websites to full flash based
websites, multimedia CD ROM presentations

» **May 2000 – Dec 2003**
Graphic & multimedia designer at **Netways**
Worked on everything from static websites to full flash
based websites, multimedia CD ROM prsentations.
